Special Note: Wash Care for Foil Print

Foil print can be less permanent than original base fabric. It tarnishes after washing & may start to flake off slightly after numerous wash.

- We recommend to follow the certain care while washing fabric
- ✓ Use delicate wash cycle or better yet wash by hand with cold water and a mild detergent
 - ✓ Hand dry
 - ✓ Always iron on reverse side of foil
 - ✓ Foil on sofa and Chair will fade eventually- depends on usage.

Wash care instructions need to be followed for prolonged usage of fabric, otherwise will damage the fabric. Test results were gathered from various samples and therefore represent average indicative values. Discolouration caused by clothing fabrics such as jeans does not represent a material defect. Minor colour deviations & discolouring in context of permissible industrial tolerance standards.

Product Color May Slightly Vary From Original Due To Photographic Lighting Sources Or Your Screen Settings.
