Cappadocia Collection

oofy
the feel of elegance

Cappadocia is a premium collection of wide-width curtains, featuring three distinct styles: Copa, Cornell, and Chroma. Each offers a luxurious matte-shine finish that beautifully diffuses light, creating a sophisticated glow. Designed for expansive spaces, these curtains ensure a seamless drape without joints, blending tactile richness with minimalist elegance. Cappadocia is ideal for large windows and upscale interiors, adding quiet drama and elevated character.
