CORTINA

THREADS OF ART. WOVEN IN JACQUARD

sarom™
for your home

CORTINA

CORTINA is more than a curtain collection—
Luxuriously textured and artfully woven, each jacquard fabric tells a story of sophistication, bringing richness, rhythm, and quiet drama to your space.

From romantic paisleys and delicate foliage to bold, modern abstractions, every design is thoughtfully curated to create depth, movement, and enduring style. Whether dressing a grand heritage Hotel or a serene bedroom, CORTINA transforms windows into focal points—where heritage meets high design.
