PRINTED TEXTURE CURTAINS

CRIMSON

It doesn’t just walk the velvet walk — it glides. With a buttery-smooth finish and a whisper of understated design, this collection delivers all the drama of velvet, minus the fuss. It’s soft. It’s stylish. It’s your new curtain crush. With four fabulous designs and a chameleon-like colour palette (think chic neutrals, cozy beiges, and a moodboard of warm and cool tones), CRIMSON plays nice with just about any interior. Luxe? Absolutely. Budget-friendly? Surprisingly, yes. It's high style without the high price tag.
