KALAKRITI

THE ART OF SHEER EMBROIDERY.

KALAKRITI

A Whisper of Art in Every Thread. A dreamy ensemble of 16 embroidered fabric designs that dance delicately across a sheer canvas, spun from our much-loved Alma base. Inspired by blooming florals, graceful geometry, and the quiet poetry of nature, this collection brings together softness and structure in the most charming way. Think of it as embroidery with a soul — subtle, stylish, and oh-so-versatile.

Whether you're dressing up a modern nook or giving a classic corner a fresh twist, it settles in like it was always meant to be there.
